5 CHAIRPERSON BELL: Good evening and welcome  
6 to the weekly meeting of the Board of Police  
7 Commission for its evening meeting here. We're going  
8 to call the meeting to order.

9 I am the Chair, Willie Bell, from District  
10 4. I'm going to ask the great pastor of this church,  
11 Church of Christ in Elmwood Park, the Reverend  
12 Reginald Best, to come forward for opening prayer and  
13 any other remarks he wants to make at this time. It's  
14 good to be in this facility at this church on the east  
15 side of Detroit. I thank you for hosting us.

16 REVEREND BEST: Amen. Thank you for giving  
17 us opportunity to host here, and certainly we very  
18 much appreciate just the great work that you guys  
19 continue to do in this community. Let us go --

20 One quick thing for housekeeping. If you  
21 need to use the restroom, if you go out the door out  
22 to my right, on the first level to your right are our  
23 restrooms in case anyone needs to use the restroom.

24 Let us go to God in prayer.

25 Our Father who art in heaven, hallowed be

1 thy name. Father, we ask your anointing upon this  
2 meeting at this time, Father. We ask your blessings  
3 of wisdom upon this Police Commission. Father, we ask  
4 for your blessings of peace and continued blessings  
5 upon this city and our leadership. Father, most of  
6 all we ask your blessings of peace upon this nation.  
7 Father, continue to bless us and keep us. It's in the  
8 might name of Jesus we pray. Let all those present  
9 say amen.

10 AUDIENCE: Amen.

4 Investigator. With me today is Investigator Adrian  
5 Farwell (ph).

6 CHAIRPERSON BELL: Is that it?

7 MR. HICKS: Yes, it is.

8 CHAIRPERSON BELL: Okay. Thank you. And  
9 to my extreme left I see Deputy Chief David LeValley  
10 sitting in for Chief Craig.

11 If you would care to introduce DPD command  
12 staff and other members of the DPD that would be  
13 great.

14 DEPUTY CHIEF LEVALLEY: Yes, sir. Thank  
15 you. I'm David LeValley, Deputy Chief over the  
16 Detective Bureau for the Detroit Police Department.  
17 There's a number of command staff and department  
18 members present. So I would ask that they introduce  
19 themselves. And since we're on the east side we'll  
20 start with the deputy chief over the east side of the  
21 city.

22 DEPUTY CHIEF HALL: Renee Hall, Deputy  
23 Chief, east side.

1                   Sitting to my far right, and I just  
2                   eyeballed him, it's good to see DPD staff here, and  
3                   thank you for your attendance.

4                   Do we have any elected officials or someone  
5                   representing elective officials? At this time I'd  
6                   like you to introduce yourself, please.

7                   MR. DIVERS: I'm Arthur Divers, and I'm the  
8                   liaison for the Honorable George Cushingberry of the  
9                   Detroit City Council.

10                  CHAIRPERSON BELL: Any others? Do we have  
11                  any first-time attendees at one of our meetings  
12                  tonight would you please stand? Any first-time  
13                  attendees?

14                  Introduce yourself, sir.

15                  MR. SATTAM: Sam Sattam, owner of Farmer  
16                  Johns Supermarket in Detroit.

17                  CHAIRPERSON BELL: And thank you for coming  
18                  out. And thank you, all of you, our regular family,  
19                  for your attendance at this evening's meeting.  
20                  There's a lot going on always in the city of Detroit.

21                  So as we move forward the next item will be  
22                  my report. I just want to say that we had a  
23                  outstanding homegoing celebration for Officer Myron  
24                  Jarrett this past Monday at the great Second Ebenezer  
25                  Church pastored by Commissioner Bishop Vann. It was

1 an outstanding service. I appreciate the support from  
2 the community, the DPD. And we had opportunity to  
3 interact with the family. And I really appreciate  
4 Bishop Vann for extending to the family, the Jarrett  
5 family, and introducing the commission at the forum.  
6 I just thought it was really a fantastic service for  
7 celebration of this young man's life in terms of his  
8 commitment to the city of Detroit and Detroit Police  
9 Department. It is a tremendous loss.

10 As we move forward, I would hope that we  
11 keep the family in mind as days comes and months and  
12 years, that this is part of the family. It takes some  
13 time for healing and support. So I know the Chief's  
14 staff reached out. We was there on Saturday  
15 afternoon, and we bumped into the Chief and others.  
16 And it's just a blessing when we all come together to  
17 share a loss of a young man's life due to the  
18 circumstance of being killed in the line of duty. So  
19 I just want to thank you for your participation. And,  
20 by all means, this is praying time I might say so  
21 since we're in church.

22 Okay. I just want to lift up in terms of  
23 my report that I had opportunity to attend the DIA  
24 festival -- film festival there on Friday night, and  
25 it dealt with the militarization of Detroit Police

1 Department. So I'm going to put the commander on the  
2 spot, but he's accustomed to being on the spot. I  
3 just want him to share some brief remarks in reference  
4 to what transpired at that particular forum.

5 But he was outstanding in terms of  
6 responding. The audience were responding to his  
7 dialogue about what he witnessed there, but I'm going  
8 to stop talking and let him speak. Thank you.

9 COMMANDER BARREN: Thank you, Commissioner.  
10 Commander Elvin Barren to the board.

11 So we had a -- we were invited to the DIA  
12 film festival, and the director produced a movie  
13 entitled "Do Not Resist." And what it did was  
14 document the riots in Ferguson. It talked about the  
15 militarization of police departments across the  
16 country and also pointed out how the 1033 program,  
17 which is how police departments acquire military  
18 equipment, how there was no oversight.

19 And so I was one of the panelists. On the  
20 panel was the movie director, myself and a professor  
21 from Wayne State University. And I was able to give  
22 him some perspective real life as it dealt with  
23 protest.

24 One of the things that was troubling when  
25 you look at the video -- you know, when people turn

1 their TV on they see a riot and they just see the  
2 activity, but all the times you don't see how those  
3 riots start. And it was very shocking when you see  
4 the documentary that the actions of the Ferguson  
5 Police Department with their aggressive posture, lack  
6 of community engagement, lack of community  
7 understanding came to a peaceful demonstration,  
8 dressed in military garb, armored vehicles. And so  
9 the posture that they had against that peaceful  
10 demonstration group was wrong.

11 And then when they asked the group to move,  
12 and when it wasn't reasonable, they had about  
13 thousands of people participating in the protest -- in  
14 the demonstration.

15 And so the police department wanted them to  
16 move now. And since there was a delay on movement  
17 they started shooting tear gas into the crowd. And I  
18 don't want to give the whole movie away, but I  
19 encourage everybody to look at this movie. But the  
20 tactics were very wrong, the people were treated  
21 wrong. And you could leave the people in the  
22 audience, in the crowd, you're bringing a tank to a  
23 protest. We're having a peaceful demonstration and  
24 you're deploying gas on us.

25 And so that's how the riot started, how the

1 police department treated its citizens. So it was  
2 clear that the Ferguson Police Department had no  
3 respect for the citizens and no community engagement.  
4 And that's why it's important, as you see us here in  
5 Detroit, we do reach out to the community. We do,  
6 again with our NPO program, you know who your  
7 neighborhood police officers are. We are engaging.  
8 Are we perfect? No, we're not perfect, but we have  
9 made a lot of strides to bring community and the  
10 police department together.

11 So if you want to see the panel discussion  
12 you can go on Freep -- this is a Free Press website  
13 for the film festival, and go and click on "do not  
14 resist." So Freep film festival, do not resist, and  
15 you can see the panel.

16 CHAIRPERSON BELL: Thank you, Commander.

17 VICE CHAIRPERSON MOORE: Through the Chair.

18 CHAIRPERSON BELL: Yes, sir.

19 VICE CHAIRPERSON MOORE: I just want to  
20 publicly thank Chief Barren and his officers for the  
21 employment that they -- or deployment that they did  
22 for Noble Elementary yesterday. The principal was  
23 very thankful over there. A few years ago they had a  
24 child that was hit and killed. So thank you for much  
25 for coming over there and assisting the Second

1 Precinct.

2 COMMANDER BARREN: Yes, sir.

3 COMMISSIONER CRAWFORD: Through the Chair.

4 CHAIRPERSON BELL: Yes, sir.

5 COMMISSIONER CRAWFORD: Yes, sir.

6 Commander Barren also, too, I want to commend you on  
7 what occurred yesterday. And I saw and heard your  
8 statements you made in the media to the press about  
9 that demonstration yesterday. And, as I stated  
10 earlier, you're going to have a long four years.

11 COMMANDER BARREN: Yes, sir.

12 COMMISSIONER CRAWFORD: You're going to  
13 have a long four years in this country, because  
14 there's activism and there's -- there's going to be --  
15 this is my prediction -- the beggings in a number of  
16 cities, which even occurred in the last couple days  
17 so -- and I -- there's a prediction -- or my  
18 prediction is that's going to be stepped up, but I  
19 want to commend you and the Detroit Police Department  
20 and, you know, your unit that works under you, because  
21 you have a history of what I've seen in the last  
22 couple years on being more community and being more  
23 sensitized and showing a human spirit and humanizing  
24 the badge when confronted with one life saved with the  
25 activists or protestors.

1                   So just -- I certainly hope that Detroit is  
2 going to be safe and the citizens are going to respect  
3 each other and the officers are going to respect the  
4 citizens. And that's what I've seen and what has been  
5 exhibited in the last couple years. Thank you.

6                   COMMANDER BARREN: Yes, sir.

7                   CHAIRPERSON BELL: Thank you again,  
8 Commander. I thought it was excellent in terms of how  
9 you responded and how the audience responded to you in  
10 terms of the dialogue. And as we go forward with  
11 unrest, but peaceful unrest, we monitored and we  
12 respond in an appropriate manner. And I just really  
13 -- it was eye-opening why I wanted to attend.

14                   I think that the young man -- the director  
15 is from Detroit, metropolitan Detroit I should say.  
16 And they want to make this a educational tool. And  
17 perhaps when we get opportunity to see that production  
18 in some form at one of our meetings or some type of  
19 format I think it should be something we're concerned  
20 about as President Obama in terms of militarization.  
21 We talked about that in one of our meetings. So you  
22 can see that DPD is very sensitive to responding  
23 appropriately and, therefore, we would not create a  
24 situation that's not already there.

25                   So I just want to thank you again in terms

1 of the panel. And I think Dr. Carl Taylor he was  
2 really amazed at what he witnessed there. So perhaps  
3 we can have that type of dialogue, I think it's  
4 necessary, perhaps early part of next year. Thank you  
5 again.

6 At this time I would like to -- I see  
7 Deputy Chief Washington has joined us. Thank you for  
8 your attendance.

9 Anyone else?

10 COMMISSIONER SANDERS: Assistant Chief  
11 White.

12 CHAIRPERSON BELL: Oh. Assistant Chief  
13 White. Good to see you. Thank you, sir.

14 At this time I assume -- Deputy Chief  
15 LeValley, you have the mike.

16 DEPUTY CHIEF LEVALLEY: Yes, sir. Thank  
17 you. I know you already mentioned a funeral that we  
18 had Monday, but I do want to thank everybody for their  
19 support and their prayers and thoughts for the  
20 department while we went through that.

21 I'll move into some crime stats, the crime  
22 stat issue. Homicides we're at 267 as of today. Last  
23 year we were at 245 for an increase of 22. Aggravated  
24 assaults, 7,884. We're at 285 below last year.  
25 Nonfatal shootings at 835. That's 83 less than last

1 year. Robberies, 2,351. That's 352 less than last  
2 year. And carjackings we're at 297. That's 159 less  
3 than last year, 35 percent drop in carjackings.

4 Since we're in the Seventh Precinct I do  
5 want to mention that the Seventh Precinct this year is  
6 at 18 homicides. Last year on this same date they  
7 were at 25. So they've dropped seven from last year's  
8 number. That's the biggest decrease in the city. I  
9 don't want to -- I'm sure Captain Hope is probably  
10 going to talk about that during her presentation. So  
11 I don't want to take it all away from her, but they're  
12 doing a really good job there.

13 Nonfatal shootings, they're at 50. Last  
14 year they were at 48. That's ...

15 CHAIRPERSON BELL: Okay. I just want to  
16 say we failed to mention that Officer Jarrett was  
17 promoted to the rank of corporal and had a large --  
18 they call it a placard or something like that with a  
19 rank on it. That was one of the highlights in terms  
20 of how his family reacted to. So we appreciate that  
21 type of awareness of his due diligence. My  
22 understanding he had desired to be corporal. So the  
23 Chief and the staff made that happen for the family.  
24 So as we -- looking back on that, it really was an  
25 outstanding opportunity. I appreciate all the

1 commissioners that was in attendance at the forum.

2 So as we move forward I guess the next item  
3 will be hearing from the Seventh Precinct.

4 As Captain Hope we all know will come  
5 forward, I just want to make some brief remarks that  
6 on our arrival in 2014 the Seventh Precinct was part  
7 of the Eleventh Precinct, and Captain Hope was  
8 assigned. And I know she took the initiative to bring  
9 back the community forum there. And I had opportunity  
10 to attend three or four forums under her leadership.  
11 And that was -- the first forum was over a hundred  
12 plus people in attendance, because people was not  
13 traveling from the lower east side all the way over to  
14 Nevada. And that was showing some initiative.

15 So I just want to commend you as far as  
16 your involvement what I have witnessed the last two or  
17 three years in terms of the Seventh Precinct. I'm  
18 glad to see that you're still involved, because I know  
19 you've been engaging for quite some time. And we  
20 appreciate your leadership and your involvement.

21 Now you have the mike. Thank you.

22 CAPTAIN HOPE: Thank you, sir. Well, first  
23 of all, I'd like to thank everybody for attending  
24 today and helping support District 5, Commissioner  
25 Willie Burton and myself from Seventh Precinct.

1 First -- or if I should say second, Pastor  
2 Best, thank you so much for opening your doors here.  
3 We appreciate it.

4 And for those of you who do not know,  
5 Pastor Best is also one of our Detroit Police  
6 chaplains, and he's assigned for Sixth and Eighth.  
7 Thank you.

8 Okay. The Seventh Precinct had its ribbon  
9 cutting ceremony in May of 2016 for the opening of our  
10 new home located at 3501 Chene between Mack Avenue and  
11 Gratiot. The venue was renovated from the former  
12 Nobel Elementary School and the Detroit Water and  
13 Sewage building to our current precinct home. And  
14 also at that time we also received Commander Arnold  
15 Williams.

16 The Seventh Precinct encompasses  
17 approximately 13.7 square miles, and on the northwest  
18 end of the precinct borders city of Hamtramck. Our  
19 population consists of approximately 107,078  
20 residents. We have approximately nine financial  
21 institutions, 11 new businesses, 14 schools and  
22 approximately 19 new block clubs.

23 The boundaries of the Seventh Precinct are  
24 on our northern border we have East Grand Boulevard to  
25 the west and French Road to the east. On our eastern

1 border we have Cadillac Boulevard to Marquette Drive  
2 on the south of East Jefferson near the Detroit River.  
3 On our southern border the precinct ends at the  
4 Detroit River between I-75 freeway and Cadillac  
5 Boulevard.

6 (At 6:51 p.m., Commissioner Dewaelsche  
7 entered the meeting.)

8 CAPTAIN HOPE: On our western border  
9 outlines northbound Chrysler Freeway and I-75.

10 The Seventh Precinct's goals, increase our  
11 community, our business and our NPO partnerships, to  
12 improve our response time for calls for service,  
13 patrol units to be more proactive in assessing weekly  
14 crime strategies, to continue to develop and implement  
15 plans to increase police visibility and to reduce our  
16 overall crime.

17 The Seventh Precinct crime trends. Our  
18 overall crime trends is down approximately three  
19 percent as of this report being November 1st when it  
20 was submitted. Our homicides are down about 13  
21 percent for the year. Our carjackings are down  
22 approximately 46 for the year, robberies are down 12  
23 percent for the year and our burglaries are down 15  
24 percent for the year.

25 The Seventh Precinct crime prevention

1 initiatives are as follows:

2 Initiative Safe Passage, our deployment of  
3 staff, NPOs and patrol units to ensure the safety of  
4 our school children as they travel to and from school.  
5 This also includes proactive traffic enforcement in  
6 those areas as well.

7 Our Indian Village detail, this detail is  
8 when necessary assist the Indian Village as well as  
9 the West Village community, private security patrols,  
10 which has proven to be a deterrent in crime within  
11 this area. This detail is implemented as a crime  
12 reduction strategy to prevent any reoccurring crime  
13 trends. Statistical information reflects a reduction  
14 in overall crimes due to the implementation of this  
15 revolving unit.

16 Our Eastern Market beat. The officers  
17 assigned to Eastern Market business district has been  
18 a great addition to this growing area. The officers  
19 are on footpatrol as well as vehicular roving patrols  
20 ensuring that the patrons and business owners are  
21 enjoying and operating in a safe environment while  
22 promoting great community relations.

23 We have crime prevention security surveys  
24 as well are offered regularly and conducted upon  
25 request for our businesses and our residents. We have

1 our new crime prevention forums where the officers  
2 meet with our youth to address various topics and  
3 concerns such as social media, bullying and  
4 interactions with the police.

5 We have an initiative Project LEAP, the Law  
6 Enforcement Action Plan. This is one of our new  
7 initiatives. And this plan is a overall outreach  
8 social service in which law enforcement, clergy,  
9 community, vetted convicts, counselors and mentors  
10 partnership in this initiative to save and support our  
11 youth. The key to this initiative is that it will be  
12 forever adaptive and evolving.

13 The Seventh Precinct enforcement operations  
14 are as follows:

15 Operation Secure Streets is an operation to  
16 be executed in response to the increase in violent  
17 crime, specifically RAs, armed robberies, and Part 1  
18 crimes occurring in the Seventh Precinct. The  
19 operation focuses on a combination of aggressive  
20 enforcement and citizen contact in which our NPOs play  
21 a large role.

22 In the Seventh Precinct we have committees  
23 and boards and they are as follows:

24 Our newest are our clergy advisory  
25 committee, our police officers advisory committee, our

1 citizens advisory committee. And our newest one, the  
2 Seventh Precinct's Police Citizens Community Relations  
3 Board. This board was formed in June of 2016 as a  
4 result of a Seventh Precinct separation from the  
5 Eleventh Precinct. This board hosts the monthly  
6 community meetings and business gatherings to promote  
7 our partnerships, our health and our wellness,  
8 community safety and training. This board operates  
9 under our newly-appointed board president, Constance  
10 Bailey, and Vice President, Sarah Cobbs.

11 The Seventh Precinct block clubs for the  
12 year of 2016 include the Bradby Townhomes, Chene Park  
13 Commons, East Village Association, the FD Lofts, 1300  
14 Lafayette, Charlevoix Village Block Club, Sheridan  
15 Place Association, 8330 On the River Association,  
16 LaSalle Co-Ops, which includes West Village, Fenmore  
17 Court, North Park Co-Op, Park East Association,  
18 Belvidere Block Club, Rohns Block Club, Seminole Block  
19 Club, Town Square Co-Op, McDougall-Hunt Association  
20 and Pingree Park Association.

21 The Seventh Precinct currently has seven  
22 Green Light businesses. We have one which is the  
23 Shell Gas Station located on 975 Mack. We have a  
24 McDonald's that's located on 1000 Mack. We have a  
25 McDonald's located at 8825 Jefferson. We have a Citgo

1 station that's located at 6500 Gratiot. We have  
2 Hibbard Market located at 8935 East Jefferson. And we  
3 have the Mobil Gas Station, 2010 East Jefferson and  
4 Palace Liquor located at 6416 East Jefferson.

5 The Seventh Precinct also has several  
6 initiatives that we've been running since the past two  
7 years. One is East Jefferson Corridor Traffic  
8 Initiative, and this initiative is during the summer  
9 season. On weekends and nights large groups of young  
10 adults loiter at the park, Atwater Street and the  
11 flatlands south of East Jefferson. They clog the  
12 streets with vehicles causing disruption to the  
13 businesses in the area. This initiative includes  
14 traffic details and traffic plans which divert  
15 vehicles and loiterers away from the affected areas.

16 The Seventh Precinct in the past has worked  
17 in partnership with MSP, Border Patrol, True, Homeland  
18 Security personnel and traffic enforcement units.

19 Another initiative that we run is our  
20 borderline. This is a collaborative enforcement  
21 effort between the Seventh Precinct, Eleventh  
22 Precinct, Fifth Precinct and the Third Precinct. This  
23 is to conduct strict enforcement in designated hot  
24 spots. Even though we are not in our own home -- I'm  
25 sorry. Even though now we are in our own home and we

1 are away from the Eleventh Precinct, we still do joint  
2 ventures across our border.

3 We have initiative Auto Zone. This is an  
4 initiative that was designed with support units such  
5 as commercial auto theft along with the Seventh  
6 Precinct Special Operations partaking in surveillance  
7 and enforcement activity along our hotspot areas  
8 concerning vehicle larcenies and auto thefts. This  
9 also includes a partnership with the Eastern Market  
10 during tailgating and special events.

11 We also have initiative Quiet Nights. This  
12 is an enforcement effort supported by Chene Park  
13 secondary employment, River Place secondary  
14 employment, along with the Seventh Precinct patrol and  
15 Special Operations to help promote the peace and  
16 tranquility of our surrounding residents in regards to  
17 loud music, motorcycle noise along the Joseph Campau,  
18 Atwater and Chene and Jefferson areas.

19 We also have an initiative Project Hawkeye.  
20 This is an initiative between the Indian Village and  
21 the West Village residents in the Seventh Precinct  
22 coming together in partnership as eyes and ears  
23 whereas some of the residents have invested in  
24 residential neighborhood surveillance cameras to  
25 promote proactive measures to deter burglaries,

1 larcenies and assaults, along with patrol units which  
2 have proven to be a deterrent in this area.  
3 Statistical information reflects a reduction in  
4 overall crimes due to the implementation of this  
5 initiative.

6 Initiative High-Rise is one of our newest  
7 ones. This is an initiative in which law enforcement,  
8 project managers and the Housing Commission have  
9 partnered together to enforce crime strategies and  
10 building lease compliance specific to high-rise and  
11 residential complexes.

12 Our last one is TEA Talk, Take Early  
13 Action. This is a sit-down conversation, proactive  
14 conversation with me, Captain Hope, of the Seventh  
15 Precinct. This is designed around fellowship with tea  
16 and coffee regarding citizen concerns. These  
17 conversations are designed to take early action with  
18 proactive components to it. The conversations may  
19 include community partnerships, block clubs,  
20 businesses, clergies. District 5 Councilwoman Mary  
21 Sheffield may be at some of these. Our District 5  
22 manager, Vincent Keenan, may also join in these as  
23 well.

24 Our neighborhood policing initiatives that  
25 we have -- the Seventh Precinct previously had three

1 NPOs, and we have been recently blessed to have a  
2 fourth one, and that would be Officer Beverly Wilson,  
3 and she's not with us today.

4           Officer Corbett -- thank you, Corbett.  
5 Officer Corbett is responsible for Sector 7-6, 7-8 and  
6 7-11. Within his sector he is very active in his  
7 schools. He mentors a program called Real Talk at the  
8 Covenant House on Wednesday mornings at 11 a.m. NPO  
9 Corbett was featured in Detroit River Living magazine  
10 fall of 2016 in an expose on the Seventh Precinct and  
11 neighborhood police officers. He is a member of our  
12 bike patrol. He monitors the Dequindre Cut, Eastern  
13 Market and Atwater summer detail. He has been called  
14 upon throughout the months to be a community speaker,  
15 crime prevention, and he addresses our safety issues.  
16 He maintains dialogue with our youth and seniors in  
17 the Seventh Precinct. He is responsible for the  
18 signage of several of our Green Light businesses. He  
19 is a member of Neighbor Door Community initiative,  
20 first-of-the-month senior bus trips.

21           Officer Duncan is not with us today, but  
22 Officer Duncan is responsible for Sector 7-7, 7-9 and  
23 7-10. NPO Duncan is our environmental guru. He  
24 handles most of the environmental issues within the  
25 Seventh Precinct. He stays abreast and monitors crime

1 trends regarding larcenies and home invasions and  
2 develops strategic responses in order to reduce crime  
3 and the fear of crime. He is a member of our bike  
4 patrol. He monitors the Dequindre Cut, the Eastern  
5 Market and the Atwater summer detail. NPO Duncan is  
6 our resident speaker on security business surveys,  
7 responsible for the signage of several Green Light  
8 businesses. And Officer Duncan is also a member of  
9 Neighbor Door. His community initiative is the  
10 midnight larceny detail.

11           Officer Balogun -- I did see him. Officer  
12 Balogun is in the back. He conducts our safe passages  
13 in his sector areas, which is 7-1, 7-2, 7-3 and 7-4  
14 from 7 a.m. to 9 a.m. for our school age children.  
15 NPO Balogun is our public media relations guru. He  
16 maintains open dialogue with our Chief's office and  
17 council member staff. NPO Balogun is actively  
18 involved in the department's FTO program. He is also  
19 instrumental in signing up for Green Light businesses.  
20 NPO Balogun coordinated efforts to furnish the Seventh  
21 Precinct and several families with Seventh Precinct's  
22 furniture. So what you see at the Seventh Precinct he  
23 has helped us to get that. He conducts business  
24 meetings for Gratiot Avenue Business Association. He  
25 is also a member of Neighbor Door. He is also

1 passionate for community initiative Safe Passage For  
2 Children.

3 Our supervisor for our NPOs is no other  
4 than Sergeant Velma Hampton.

5 Is she out here? She's in the back.

6 Several upcoming events for the Seventh  
7 Precinct is as follows:

8 November for 2016 we have our fish fry  
9 coming up. Our fundraiser will be on Friday, November  
10 11th, 2016 at the Seventh Precinct from 11 a.m. to  
11 4 p.m. Our police/citizen community relations board  
12 meeting will be held on Wednesday, November 16, 2016  
13 at the Whittier at six o'clock p.m. Our turkey bingo  
14 will be held on Sunday, November 20th, 2016 at the  
15 American Serbian Hall. The Seventh Precinct works in  
16 conjunction with the Eleventh Precinct on this  
17 particular event.

18 For December we have our Goodfellow  
19 packages, which will be distributed throughout the  
20 month of December. We have our beer bash fundraiser,  
21 which will be held on Saturday, December 3rd, 2016 at  
22 the Harry's Bar and Grill starting at 7 p.m. Our  
23 Seventh Precinct Christmas party will be held on  
24 Friday, December 16th at the DoubleTree Hotel downtown  
25 at 7 p.m. Our Firekeepers Casino trip fundraiser will

1 be on Saturday, December the 10th, 2016 from 9 a.m. to  
2 5 p.m. And for February we have our seniors  
3 Valentines Day dance and luncheon.

4 In conclusion, it is my hope that this  
5 report gives the Board of Police commissioners and the  
6 citizens of the Seventh Precinct a brief synopsis of  
7 our missions and directives as mandated by the Chief  
8 of Police, James E. Craig. The members assigned to  
9 the Seventh Precinct are dedicated and committed to  
10 providing safety and stability to all of our  
11 community.

12 And with that being said, I must say the  
13 Chief had his first initiative, among many, in our  
14 precinct, and it is called the Barbershop Talk  
15 Straight Talk. It was held at Executive Cuts on  
16 Joseph Campau. And from that I can say he is going to  
17 visit one near you.

18 So that concludes my presentation. Do we  
19 have any questions?

20 CHAIRPERSON BELL: Commissioners, do you  
21 have any questions or concerns of Captain Hope?

22 We appreciate that in-depth report. We  
23 wanted to make sure you had all the ample time,  
24 because that was my first assignment to the Seventh  
25 Precinct back in Conrad -- Commissioner Mallet, 1971

1 August.

2 COMMISSIONER MALLETT: When I graduated  
3 high school.

4 CHAIRPERSON BELL: I know. You're probably  
5 one of those folks I was -- anyway.

6 I walked the beat on Gratiot all the way up  
7 to Gratiot and Van Dyke. I walked the beat on Chene.  
8 And out of the Seventh Precinct became awareness of  
9 the late Councilman Ken Cockrell dealing with stress  
10 and other issues. I attended those forums. And out  
11 of that I was one of the founding members of the  
12 concerned police out of the Seventh Precinct. And  
13 that membership out of the Seventh went on to have  
14 great careers. And I think the highest ranking was  
15 assistant chief or deputy chief out of that whole  
16 class from there that moved into the Guardian.

17 So Seventh Precinct and Tenth Precinct was  
18 on the cutting edge of the struggle in terms of  
19 involving black police officers, and I was part of  
20 that.

21 And that's a little history I just wanted  
22 to share with you. That's why the Seventh Precinct is  
23 sort of dear to my heart in terms of that type of --  
24 Explorers Club. We had aggressive type community  
25 involvement. So I just really look back on the

1 Seventh Precinct with fond memories.

2 But open up to the questions -- the floor.  
3 I'm sorry. Any questions?

4 COMMISSIONER CRAWFORD: Yes, sir, through  
5 the Chair I just want to make a statement.

6 Thanks for that presentation. It seems  
7 like there's a lot of activity going on. You're very  
8 busy at number 7. And I always appreciate the  
9 holistic things that are going on in the precincts.  
10 Not only yours, but we've heard other presentations  
11 from some of the other precincts and they talk about a  
12 great deal of the holistic things in terms of getting  
13 out there in the community. And as always they  
14 recently picked up a term of humanizing the badge.

15 Also, too, like the -- Mr. Chair, I started  
16 at the Seventh Precinct, many years after he did,  
17 though. First precinct I ever worked at was number 7.  
18 It was 3300 Mack. And, of course, that facility  
19 doesn't exist anymore, vacant land. But, as Chairman  
20 Bell, said in terms of the history and being on the  
21 cutting edge and the activism that went on, not only  
22 part of being community oriented, but also, too, as  
23 black police officers. A lot of movements emanated  
24 from -- started out in the Seventh Precinct, but thank  
25 you very much.

1 CHAIRPERSON BELL: Commissioners, any other  
2 comments or questions?

3 Yes, sir. Commissioner Burton.

4 COMMISSIONER BURTON: I'd like to say thank  
5 you for all you do for the Seventh Precinct and also  
6 for the fifth district, Captain Hope.

7 One of the things I'm really impressed with  
8 is how the Seventh Precinct had the total reduction of  
9 crime in 2015 and 2014 under your leadership. So you  
10 brought this community together. I love what you did  
11 a couple weeks ago with the community crime prevention  
12 with the gated communities downtown and how the  
13 communities coming together and working together with  
14 the police department and with your team over at  
15 number 7. So thank you for all you do.

16 CAPTAIN HOPE: Thank you.

17 VICE CHAIRPERSON MOORE: Through the Chair.

18 CHAIRPERSON BELL: Yes, sir.

19 VICE CHAIRPERSON MOORE: Just a quick  
20 question, Captain.

21 If a citizen wanted to get in touch with  
22 your neighborhood police officers or in contact with  
23 you or E-mail, what would be the best method to get in  
24 contact?

25 CAPTAIN HOPE: The best method is my cell

1 phone actually. The officers also have a phone, but  
2 at every meeting everybody knows I give my number.  
3 And that number is (313) 600-3398. Once again,  
4 (313) 600-3398.

5 VICE CHAIRPERSON MOORE: Thank you.

6 CHAIRPERSON BELL: Could we acknowledge the  
7 Seventh Precinct police community folks. I know some  
8 of them are here. Would you please stand and be  
9 acknowledged and appreciated.

10 (Applause)

11 CAPTAIN HOPE: Commissioners, if I may add,  
12 we normally have lots and lots of people at our  
13 meetings, as you know. And my heartstrings I have to  
14 say this. Some of our community members, in  
15 particular Miss Gwen and Miss Felicia, they donated  
16 all the things that you're going to have to eat after  
17 this meeting out of their own pockets for us.

18 (Applause)

19 CHAIRPERSON BELL: Thank you again.

20 CAPTAIN HOPE: Miss Felicia, wave your  
21 hands, please. Be acknowledged.

22 CHAIRPERSON BELL: Thank you.

23 CAPTAIN HOPE: And with that also we have  
24 our Chaplain Manning and Chaplain Tia Davis.

25 CHAIRPERSON BELL: Thank you again.

1 Outstanding.

2 As we move on in our agenda, our next item  
3 will be hearing from Assistant Chief White dealing  
4 with issues that we had from a month ago and some of  
5 the continuation of that, but I'm going to let A.C.  
6 White explain why he's at the podium in terms of  
7 presenting out to the board.

8 ASSISTANT CHIEF WHITE: Good evening,  
9 board, and good evening esteemed guests. I'm going to  
10 be providing you tonight with a very brief  
11 presentation as relates to use of force.

12 And before I get into the presentation I  
13 just want to tell you how extremely proud I am of the  
14 police department and the fact that we all do  
15 community policing. It's not a thing for the Detroit  
16 -- or a theme, if you will, for the Detroit Police  
17 Department. It is exactly who we are and it's a part  
18 of our fiber and character that we provide these  
19 services at each and every one of our precincts,  
20 whether we look at what the Seventh Precinct has done  
21 here tonight in their presentation or we look at the  
22 Sixth Precinct. You will find at each and every  
23 precinct you've got people that are connected with the  
24 community.

25 As relates to our deputy chiefs, it's

1 always on the center of their minds how can we best  
2 serve the community.

3 By way of example, Deputy Chief Hall  
4 implemented a program about two years ago where it's a  
5 requirement of each academy student to do community  
6 service before they graduate. And I thought it was  
7 unusual. I'd never seen it before, and it's one of  
8 the most successful programs that we participate in.  
9 In fact, this last weekend I worked with some of the  
10 students over at Kappa where we gave out coats and  
11 served a number of people from the homeless and  
12 mentally ill community or mentally challenged  
13 community.

14 So just a lot of great programs like that  
15 that are out there. So you will find at each and  
16 every one of our precincts we have something that's  
17 going positive in the community. And I think that's  
18 why we have so much success in our community.

19 But, as we do policing, there are times  
20 when using force is a necessary part of an officer's  
21 day. And certainly when we use force we're going to  
22 make sure that the force is appropriate, that the  
23 level of force is met with the level of aggression and  
24 that when the force moment ends that the citizen is  
25 given the appropriate medical attention and properly

1 placed under arrest.

2 So I've invited a couple members of the  
3 academy training team to come down and explain to you  
4 how we -- when forced to engage the community in the  
5 uses of force. And we brought a couple of tools of  
6 the trade down with us. And we're going to walk  
7 through and explain to you how that process happens.

8 So with that I will introduce you to  
9 Lieutenant Coles from the Training Center, Corporal  
10 Greer and Officer Gonzalez.

11 CORPORAL GREER: Good evening.

12 AUDIENCE: Good evening.

13 CORPORAL GREER: I'm not used to speaking  
14 with a mike, but what we're going to do real quick is  
15 give a quick explanation of force continuum that we  
16 have as a department that deals with law  
17 enforcement -- and I know that's kind of loud there.

18 What you see before you right now is our  
19 force continuum, and what it is is a guide that allows  
20 us that we look at that says, okay, if a subject is  
21 doing something we can respond to it, equally or  
22 above. Does that make sense?

23 So, for example, the first level of force  
24 on the force continuum for a subject is inactive  
25 resistance, which means if we're at a location --

1                   Everybody can hear me? Everybody hear me?

2                   If we're at a location right now and I go  
3 to his house and I say, sir, how you doin', my name is  
4 Corporal Greer --

5                   Can everybody hear me?

6                   AUDIENCE MEMBER: You need a mike.

7                   CHAIRPERSON BELL: There's a mike.

8                   CORPORAL GREER: So inactive resistance. I  
9 go to his house and I realize that I've established  
10 probable cause that he has to go to jail, he has to go  
11 to jail no matter what. And I say to him, sir, how  
12 you doin' today, my name is Corporal Greer, I'm going  
13 to need you to turn around and put your hands behind  
14 your back. When we talk about inactive resistance, he  
15 is actually standing there with clinched fists,  
16 tightening of the jaw muscles. He has a stance that  
17 is letting me know that if I engage him something may  
18 happen.

19                   So my options, according to the force  
20 continuum would either be -- well, my first level of  
21 response will be officer's presence, me showing up and  
22 then me telling him, sir, turn around and put your  
23 hands behind your back. If he refuses to do so, if he  
24 refuses to do so, again my options are to go to my  
25 pepper spray, my PR-24 or physically engage this

1 individual.

2 The problem with physically engaging this  
3 individual is I don't know his skill set. I don't  
4 know what he knows. So the probability of me getting  
5 injured, the probability of him getting injured is up  
6 there.

7 Our next level on the force continuum would  
8 be -- we have passive resistance. Passive resistance  
9 and the equal representation for passive resistance is  
10 compliance and control. When we talk about someone  
11 that is passively resisting, let's say, for example,  
12 all you ladies and gentlemen are sitting here and  
13 you're protesting. And I come up to you as an officer  
14 and say he's sitting down right here and I say, sir, I  
15 need you to get up and come with me. He then refuses,  
16 okay, like -- I'm not go say the word, but, no, I'm  
17 not going with you. So what he does is goes limp.  
18 He's not stopping me from picking him up, but he's not  
19 fighting me at the same time.

20 Does everyone understand that?

21 So when we talk about compliance control,  
22 compliance control we may be doing joint locks and  
23 pressure points where I can come in and do a pressure  
24 point here we call it, you know -- she's giving me the  
25 look -- where we come across the neck area of the jaw

1 line, or I can come in here and do a joint lock, wrist  
2 lock and tell him to get up and come with me.

3 The next level on our force continuum --

4 ASSISTANT CHIEF WHITE: Actually, I want to  
5 stop there for a second, because I want to explain  
6 that. So -- and these are our trainers. This is how  
7 we train to this work. But, as we engage the  
8 community, first level of resistance or first level of  
9 control is the officer's presence, as the corporal  
10 indicated.

11 Now, if we arrive and by virtue of showing  
12 up in full uniform and being a police authority you  
13 stop, then so do we.

14 The gentleman that went limp in the next  
15 example, it would depend on the circumstance that  
16 we're facing. So if we arrived at a protest and the  
17 fact that this gentleman is sitting safely, not in the  
18 middle of the street, not blocking traffic, not a  
19 danger to himself or anyone else, he just decided to  
20 sit there and go limp, corporal may decide, you know  
21 what, have a good day sitting and leave.

22 Now, if this person, as the corporal  
23 indicated earlier, must go to jail, has probable  
24 cause, has assaulted someone, has committed a crime,  
25 he or she has to go to jail or, guess what, now it's

1 time to engage some of those joint locks and some of  
2 those infraorbitals or things like that as the  
3 corporal indicated.

4 Go ahead.

5 CORPORAL GREER: So as we continue,  
6 everything that I'm addressing right now we're used to  
7 dealing with the people that don't want to comply. So  
8 if we do have those that do comply -- like, for  
9 example, officer's presence. We show up and we may  
10 have people that say, okay, officer, I don't want any  
11 trouble. But you have to understand, there are three  
12 types of subjects. You have totally cooperative,  
13 potentially uncooperative and totally uncooperative.

14 The most dangerous one is the second one,  
15 the one that is potentially uncooperative. That is  
16 the subject that goes, okay, officer, I don't want any  
17 trouble. And then as soon as we lay hands on them  
18 that's when they want to fight.

19 Does everyone understand that?

20 Okay. So we go with compliance control.  
21 Again, that is joint locks and pressure points.

22 The next level on the force continuum that  
23 we're going over is active aggression. Are we ready?

24 LIEUTENANT COLES: Active resistance.

25 CORPORAL GREER: Active resistance. So

1 active resistance is this. If I walk up to Dave and I  
2 say, sir, how you doin' today, my name is Corporal  
3 Greer, I need you to come with me. And I walk towards  
4 him and he backs away from me that is considered  
5 active resistance.

6 According to the force continuum, I can  
7 jump down to physical control. Well, physical control  
8 is this. It's called hard, empty hand strikes. Hard,  
9 empty hand strikes is me actually physically engaging  
10 this individual.

11 So if the lieutenant is my partner and this  
12 is the subject and he walks away from my partner and  
13 he says to him, sir, I need you to turn around and put  
14 your hands behind your back and I'm right here, he  
15 walks towards him, he backs away, I can physically go  
16 in and strike this individual or take him or her down  
17 to the ground.

18 Does everyone understand that?

19 But that only goes in conjunction with the  
20 fact that we know that he or she has to go to jail,  
21 because you've got to remember there's totalities of  
22 circumstances. We don't go up on somebody that says,  
23 well, hold on, officer, I have a question. We don't  
24 engage those people, but we do engage the ones that we  
25 know that have to go and the one that says, listen,

1 I'm not going.

2 Does everyone understand that?

3 The next level on the force continuum that  
4 we're dealing with is active aggression. Now, this  
5 can be a little tricky one right here. Active  
6 aggression is also in conjunction with a subject's  
7 stance. If you've ever watched anything, boxing,  
8 mixed martial arts, we look at how people stand. We  
9 look at how people stand. Right now Officer Gonzalez  
10 is in a fighting stance. Does anyone understand that?  
11 His feet are bladed, his hands are up, he's ready to  
12 fight me. Does everyone understand that?

13 So once again, he's standing as such.  
14 Well, this level of force can escalate just like that,  
15 because he can go from being flatfooted, very passive,  
16 passively looking at me with his hands down, all that,  
17 and then he can automatically just go to that and the  
18 fight is on. Does everyone understand that?

19 So with that level of force when we have  
20 someone that's actively aggressive most people picture  
21 this, but a lot of people don't understand that if a  
22 person does this, this is a form of active aggression.  
23 And with that, according to the force continuum, we  
24 can go to intermediate controls, which now at this  
25 time, and compliance control, is me pulling out the

1 PR-24, this is the baton, and physically striking the  
2 individual right here on the meaty portion of the  
3 thigh, the shin.

4 The baton area strikes, again, the shin,  
5 all the green spots we can strike with this weapon  
6 system, okay. The yellow zones, well that happens if  
7 a subject moves and we strike the knee. It is not an  
8 intentional strike to these red areas or yellow areas.  
9 The target areas are the green areas, but injuries do  
10 happen because no one just stands still with this  
11 stick. Everyone understand that?

12 Okay. The last level that we want to cover  
13 real quick is dealing with -- this is simple. It's  
14 deadly force and deadly force assault. Let me cover  
15 deadly force real quick, if I can give an example,  
16 sir.

17 ASSISTANT CHIEF WHITE: Yes.

18 CORPORAL GREER: Okay. If -- say, for  
19 example, Dave is my partner. Dave and I are chasing  
20 an individual, okay. Say the individual is my size.  
21 We just saw that individual shoot and kill someone.  
22 Everyone understand that? I'm painting a pretty  
23 graphic picture. We give chase. He sees us run. He  
24 runs left, I go left. He goes right, I go left, as  
25 you were. The subject sees him and says I'm go go

1 after him. He corners him in the alley. He's by  
2 himself. There's only one way in and one way out. He  
3 looks at Dave and says I'ma kill you today with your  
4 own gun.

5 If Officer Gonzalez can perceive his  
6 perception of imminent death, that means it's going to  
7 happen, he don't know this man's skill level, but he  
8 just witnessed this individual kill someone, he does  
9 not know this man's skill level, according to the  
10 force continuum he may be authorized to use deadly  
11 force.

12 Same thing with me. Even though I'm a  
13 bigger size individual, if I can articulate in my mind  
14 and to everyone, oh, my gosh, I just ran five blocks,  
15 I'm 50 years old, my knees hurt, my asthma kicked in,  
16 I'm just broke down, if this man hits me and takes my  
17 gun he is going to kill me. According to our force  
18 continuum and the laws that be, my perception of  
19 imminent and immediate death, I may be authorized to  
20 use deadly force.

21 Now, if he has -- say he's a different  
22 subject and he has a knife. Do you have it on you?  
23 And he wields that knife. Well, according to  
24 different policies and stats and stuff like that, they  
25 say that the safety distance for someone with a knife

1 out and the officer with their gun in their holster is  
2 31 feet, which means he would have to be right about  
3 there. Does everyone understand that?

4 Now, if he raises a knife and says,  
5 officer, I'ma kill you today, but he does not act and  
6 come towards me, I cannot use deadly force. Does  
7 everyone understand that?

8 Once he takes steps towards me, I still  
9 cannot use deadly force if I am in a open environment  
10 such as this, because I would have to answer and say,  
11 well, I could have gotten out of the way. Everyone  
12 understand that?

13 When we use deadly force in a situation  
14 like this, I have nowhere to go, nowhere to go. Does  
15 everyone understand that?

16 Okay. So again, 31 feet is a guesstimated  
17 distance, but most times when we talk to people we're  
18 here. This is called contact range. This is about  
19 where we talk to people at. So, if he has a knife  
20 behind his back, the probability of me getting to my  
21 weapon system is cut down drastically, but we can use  
22 deadly force. They teach us how to shoot from the  
23 hip. Does everyone understand that?

24 Will I use a pepper spray or PR-24 in this  
25 situation? Probably not.

1                   So he has a knife, I have a gun. Sir, let  
2 me see you hands? I didn't even get it out of my  
3 holster. Does everyone understand that?

4                   From 31 feet away, sir, let me see your  
5 hands, let me see your hands. He still may get me. I  
6 may get one shot off, but he still may get me. Does  
7 everyone understand that?

8                   So there's a lot of involvement in this,  
9 and for the sake of time we really have to -- you  
10 know, but we can go on with this for a lot, because  
11 there's a lot of different circumstances that we have  
12 to encounter and we have to make a decision real quick  
13 based on those circumstances. Everyone understand  
14 that?

15                   Any questions?

16                   ASSISTANT CHIEF WHITE: Okay. I want to  
17 thank corporal and I want to thank the officer --  
18 Lieutenant, I'm going to have you stand there just for  
19 a couple seconds.

20                   I'm sorry. Go ahead, ma'am.

21                   AUDIENCE MEMBER: Does this depend on what  
22 the officer is wearing, like they have on those  
23 camouflage outfits or like him and it's dark? Will  
24 the individual be able to see that that is a  
25 policeman?

1 VICE CHAIRPERSON MOORE: Repeat the  
2 question, Chief.

3 ASSISTANT CHIEF WHITE: The question was  
4 would it be depend on what the officer is wearing  
5 whether or not the citizen would know they were the  
6 police.

7 AUDIENCE MEMBER: Right.

8 ASSISTANT CHIEF WHITE: And that's a very  
9 good point. And, yes, we take all of that into  
10 consideration. Our Special Operations Units they now  
11 wear the same uniform. They wear black shirts and  
12 gray pants. Our Narcotics they wear raid uniforms  
13 with "Police" on it. But all those things are taken  
14 into consideration. You're absolutely correct.

15 LIEUTENANT COLES: And they all have a  
16 badge on their outermost garment. So they'll be  
17 wearing a badge. Whatever the color badge is, they'll  
18 be wearing a badge as well. So it's not just the  
19 clothes. They'll have a badge that's visible to the  
20 public as they're speaking to them.

21 AUDIENCE MEMBER: People can buy badges.

22 LIEUTENANT COLES: I understand, ma'am.  
23 She said people can buy badges.

24 ASSISTANT CHIEF WHITE: Absolutely.

25 LIEUTENANT COLES: And we -- that's

1 something we can't control. I'm sorry.

2 ASSISTANT CHIEF WHITE: So the purpose of  
3 this discussion tonight was to just shine a little bit  
4 light on uses of force with our department. They're a  
5 number of different considerations that we must make  
6 when having to use force. Ideally we want everybody  
7 to comply and never have to draw a weapon and never  
8 have to use force. These are difficult, difficult  
9 things to make a decision to use, using deadly force,  
10 using our control weapons, but unfortunately they come  
11 with the job.

12 I will tell you, as we went through all of  
13 these different things tonight, this was somewhat  
14 academic, you know, where we were really giving you we  
15 strike here, we strike there. But the officers train.  
16 Those trainers you see in the corner and the  
17 lieutenant, they make sure that the officers that go  
18 through these courses understand why we utilize the  
19 weapon systems that we use and why do we utilize the  
20 strikes.

21 Do you have that one graphic? Can you  
22 bring it back up real quick?

23 I don't know if it's still on the pressure  
24 point control tactics. That's what I was trained to.  
25 That's what I was instructed, but -- the pressure

1 point control tactic one.

2 So the green area that you see as he talks  
3 about the strikes to the legs and the strikes to the  
4 arms, those aren't just random. For example, there's  
5 the common peroneal, the brachial plexus tie-in, those  
6 are things that we know about that we're going to  
7 attempt to hit when we strike. And they're designed  
8 that way so there's the least likelihood of injury.

9 But unfortunately when you're engaged in a  
10 confrontation no one's going to stand still. So what  
11 we look for is the officer's action and judgment  
12 reasonable for the resistance that they encounter. So  
13 if he's going for one or she's going for one of those  
14 green areas like -- well, that's near the brachial  
15 plexus so we'll call it the arm. If you're going for  
16 the arm, because we know there's a least likelihood of  
17 a break, but the person moves and you hit one of those  
18 non-strike zones, that can cause a break, those yellow  
19 zones. So that can cause injury.

20 So was the officer acting reasonable when  
21 he or she engaged the subject. Was this person just  
22 sitting down and not a threat to themselves or anyone  
23 else. So did the officer really need to do those  
24 things.

25 So those are some of the things that we go

1 through as we assess force and to see if it was  
2 reasonable. So we're not just going to engage. We're  
3 not just going to use force because it's available to  
4 us. Does the circumstance necessitate that we use  
5 force to take the subject into custody.

6 And, to your point, was the officer in  
7 uniform. If not, why wasn't the officer in uniform,  
8 was it a specialized unit, so those types of things.

9 Okay. Any questions from the board?

10 VICE CHAIRPERSON MOORE: Just a quick  
11 question, Chief. Are the officers in the academy  
12 taught to kind of go through each step of the force  
13 continuum? Because a lot of times things happen so  
14 quick on the street, you kind of forget something. So  
15 I mean are they taught to use the actual first step,  
16 you know, start out high rise all the way up to the  
17 highest level force?

18 ASSISTANT CHIEF WHITE: Absolutely. They  
19 are taught to go through it. However, there are times  
20 you won't go one, two, three, four. You may go from  
21 one unfortunately to deadly force, depending on the  
22 encounter. But, yes, they train them that.

23 The other thing that we train, too, that is  
24 equally important is deescalation and a course that we  
25 call verbal judo. You know, sometimes you can talk

1 people down from a bad situation.

2 LIEUTENANT COLES: I was going to say that,  
3 too. The first thing -- we don't just pull the stick  
4 out and start hitting. We always try to talk to them.  
5 Most times you are able to let somebody know, you  
6 know, hey, listen, you know, we got more people than  
7 you, you know, I'm going to call more units, I'm going  
8 to call backup. And when they hear us on the radio  
9 calling for backup and they know that people are  
10 coming, most of the time that kind of also helps, too,  
11 you know, bring them down.

12 One of the first things we always have to  
13 do is deescalation. And just like the continuum like  
14 I was showing you, the first one is always our  
15 presence. So there's always that number one. And  
16 then you just have to meet whatever aggression or  
17 whatever the subject's force is. We have to meet  
18 that.

19 VICE CHAIRPERSON MOORE: You mentioned  
20 stick. What are the other types of intermediate  
21 weapons that the department currently uses?

22 AUDIENCE MEMBER: From the mike, please.  
23 From the mike.

24 LIEUTENANT COLES: We have the PR-24, which  
25 is what he showed you. We have the pepper spray. We

1 also have pepper spray. And then the only other  
2 option that we have after that --

3 ASSISTANT CHIEF WHITE: Is a riot baton,  
4 and this is for civil unrest.

5 LIEUTENANT COLES: Yeah, we have a riot  
6 baton for civil unrest.

7 ASSISTANT CHIEF WHITE: And this is more  
8 for blocking than striking.

9 None of these weapons are pretty. When you  
10 train to a PR-24, I know there's been a lot of  
11 discussions about how other intermediate weapons will  
12 play into what we do in policing, but I want you to  
13 remove that PR-24 and open it. This is what it looks  
14 like. And I want you to demonstrate a strike. Just  
15 demonstrate just as if you had a person standing in  
16 front of you. Don't hit anybody with it.

17 CORPORAL GREER: This is considered a power  
18 strike. So I am swinging like that with everything I  
19 have. I want to minimize injury. So I want to try to  
20 hit as hard as possible so I don't have to strike  
21 again.

22 ASSISTANT CHIEF WHITE: And these strikes  
23 are delivered with forward fluid motion.

24 CORPORAL GREER: Yes, sir.

25 ASSISTANT CHIEF WHITE: And they're asking

1 that when you deliver the strike that you leave the  
2 weapon on contact for a few seconds so that all of the  
3 momentum enters. That's what you're trained to around  
4 the country. That's what's best practice. It is not  
5 a pretty sight. So certainly, you know, additional  
6 weapon systems will be very helpful for the police  
7 department.

8 VICE CHAIRPERSON MOORE: Thank you.

9 COMMISSIONER DEWAELESCHE: If I may. With  
10 regard to the use of the gun at the point that you  
11 have to use it, heaven forbid, but do you use the same  
12 chart that you use for the baton when you have to use  
13 your gun? It's a different policy; correct?

14 ASSISTANT CHIEF WHITE: You can have that  
15 one if you want to take it.

16 LIEUTENANT COLES: We are trained to shoot  
17 center mass. So we don't train to try to hit them in  
18 the arm, because if you miss it's so much that you can  
19 miss. We try to -- we train to shoot center mass, and  
20 we only shoot until the threat is stopped. So if  
21 you're coming at us we'll shoot until you stop.

22 COMMISSIONER DEWAELESCHE: Um-hmm. Thank  
23 you.

24 LIEUTENANT COLES: That's through training.

25 CHAIRPERSON BELL: Any other --

1 AUDIENCE MEMBER: What's the criteria for  
2 tasing a person?

3 LIEUTENANT COLES: We don't have a criteria  
4 for Tasers, because we don't have Tasers yet. So we  
5 don't -- there is nothing on our books for Tasers,  
6 because it's not one of our systems that we are able  
7 to use at this time.

8 CHAIRPERSON BELL: Commissioner Crawford?

9 COMMISSIONER CRAWFORD: Yes, sir, through  
10 the Chair. Assistant Chief, where are we on the  
11 evaluation of Tasers? Is the department looking at  
12 the Taser with the camera versus the Taser without the  
13 camera? Where are we on the evaluation of that?  
14 Because that issue has come before the board a few  
15 times, even most recent as last week. So is the  
16 department looking at evaluating two systems, you  
17 know, separate --

18 ASSISTANT CHIEF WHITE: We are looking at  
19 evaluating an electronic weapon system. So Taser is  
20 the company, much like Bondo is the company for Body  
21 Buddy. So we say Taser. We're looking at an  
22 electronic weapon that could possibly be Taser. We  
23 have looked at the one with the camera. We want to  
24 see how our new body worn cameras will interact with  
25 the Taser camera -- or now I doing it -- with the

1 electronic weapon camera. And we're also looking at  
2 the one that doesn't have a camera associated with it.  
3 We're kind of in a stall right now as we go through  
4 this process.

5 You remember the last meeting we had where  
6 we talked through that. After this process we will  
7 talk again with the board and maybe we can work  
8 together about, you know, the possibility of putting  
9 together another evaluation.

10 COMMISSIONER CRAWFORD: Yes, sir. And  
11 also, too, if it -- well, I'm sure it would help us as  
12 members of the Board of Commissioners for some sort of  
13 presentation, you know, on the different systems --

14 ASSISTANT CHIEF WHITE: Okay.

15 COMMISSIONER CRAWFORD: -- to actually --  
16 you know, that the department comes before us and  
17 just, you know, explain the difference and what this  
18 particular system does and that particular system,  
19 camera versus without the camera, et cetera.

20 ASSISTANT CHIEF WHITE: We would love to do  
21 it. We'll put that together.

22 COMMISSIONER DEWAEELSCHÉ: Mr. Chair, if I  
23 may.

24 CHAIRPERSON BELL: Yes, ma'am.

25 COMMISSIONER DEWAEELSCHÉ: If I may add to

1 that, too, when we do get to the point where we will  
2 consider, you know, the electronic weapon, potential  
3 of using it, we would need to have a policy that you  
4 would adopt. And I'd like to know are you looking at  
5 some other department policies at this point at the  
6 same time?

7 ASSISTANT CHIEF WHITE: Yes, we are. We  
8 have looked at a number of large agencies. And what  
9 we wanted to do was look at agencies that were similar  
10 in demographic, similar in size and some of the  
11 challenges that they've run into with the electronic  
12 weapon. We have a very rough draft policy that we  
13 have looked at.

14 Attorney Washington, I don't know if you're  
15 prepared to talk about some of the preliminaries. I'd  
16 hate to put you on the spot, but it is not ready for  
17 presentation to the board. But we are looking at, you  
18 know, what's the officer's responsibility after the  
19 weapon is charged, medical attention, likelihood of  
20 injury, removal of darts.

21 What we found just right off the bat is if  
22 we use the darted weapon we certainly will not ask the  
23 officers to remove the darts. It's important that  
24 that person is treated by a medical professional and  
25 the darts are removed by a medical professional. So

1 we're kind of muddling through that.

2 One of the other things that we're seeing  
3 with some agencies is that they dry stun. We can find  
4 a direct correlation between dry stunning and injury.  
5 And what that simply means is taking a weapon and  
6 holding it onto a person's body. We found that if you  
7 correlate that with injuries the numbers will jump off  
8 the board. So that's something that we will not be  
9 doing in the police department should we acquire this  
10 weapon is dry stunning.

11 COMMISSIONER DEWAELESCHE: You're saying  
12 dry, D-R-Y?

13 ASSISTANT CHIEF WHITE: Dry stunning, yes.

14 COMMISSIONER DEWAELESCHE: Okay. And so as  
15 soon as you get something, even if it's a draft, if  
16 you could share that with us, because that would be a  
17 part of our process of reviewing and making a decision  
18 whether to approve it or not. That would be very  
19 helpful.

20 ASSISTANT CHIEF WHITE: Okay. We'll get  
21 that to you as soon as possible.

22 Will you make a note of that and remind me.

23 Okay. Thank you.

24 VICE CHAIRPERSON MOORE: Just a quick  
25 question for clarification, Chief. You talked about

1 the dry stun. So if you have multiple perpetrators  
2 that you're trying to subdue or that officer is being  
3 attacked and they do choose to use the Taser, wouldn't  
4 that come into effect where you would dry stun them or  
5 you would just --

6 ASSISTANT CHIEF WHITE: So when you make a  
7 decision to use deadly force then you use whatever is  
8 at your disposal to save your life. And certainly we  
9 will look at each individual circumstances on their  
10 own merit. However, as a matter of policy, we will  
11 not authorize dry stunning.

12 VICE CHAIRPERSON MOORE: So once that  
13 deployment of that Taser is gone, that first one shot,  
14 that officer can't -- you won't allow the officer to  
15 dry stun them at that point?

16 ASSISTANT CHIEF WHITE: No. Then you  
17 should not, because now the person is not reacting to  
18 the Taser. So --

19 VICE CHAIRPERSON MOORE: We're talking  
20 about two different perpetrators now?

21 ASSISTANT CHIEF WHITE: So two different  
22 perpetrators.

23 VICE CHAIRPERSON MOORE: Right. So you  
24 stun one?

25 ASSISTANT CHIEF WHITE: You would never dry

1           stun one. You would shoot the --

2                       VICE CHAIRPERSON MOORE: I'm sorry. You  
3 shoot the Taser on the first one. The second one, the  
4 second perpetrator, if they were to attack an officer  
5 -- I was just giving a scenario on which a dry stun  
6 might be acceptable.

7                       ASSISTANT CHIEF WHITE: But, no, that's a  
8 very good question. So you would make sure you  
9 purchase a weapon that had multiple deployments and --  
10 so I can pull it more than one time, because there are  
11 weapons that only have the single deployment, for that  
12 very reason.

13                      And then the other deponent that you would  
14 look at is do you need the dry stun feature if you  
15 have multiple deployments. So those are the things  
16 that we're looking through.

17                      VICE CHAIRPERSON MOORE: Okay.

18                      ASSISTANT CHIEF WHITE: I think when you  
19 look at the injuries associated with dry stunning, I  
20 don't know if it measures up. However, I want to make  
21 sure that I state this, because down the road we will  
22 pull this tape back up and someone will have dry  
23 stunned someone. If it's a situation where the  
24 officer is trying to save his life or someone else's  
25 life and the only two they had at their disposal was

1 the dry stun, most certainly that would be applicable  
2 at that time. But as matter of practice, that is not  
3 something that we would have in the organization.

4 VICE CHAIRPERSON MOORE: Thank you, sir.

5 COMMISSIONER MALLETT: Through the Chair.

6 CHAIRPERSON BELL: Yes, sir. We have one  
7 more question.

8 Audience -- I'm sorry. Ma'am, ma'am, would  
9 you refrain.

10 Commissioner Mallet.

11 COMMISSIONER MALLETT: Chief, when we were  
12 on the west side and we had the --

13 Where were we, Gregory?

14 MR. HICKS: At the Boy Scouts.

15 COMMISSIONER MALLETT: Yeah, at the Boy  
16 Scouts. The question that I ask, Chief, and I really  
17 do think it's important that we get this clearly  
18 understood, and that is what is the problem that we  
19 are trying to solve?

20 I recognize from the corporal and the  
21 officer's demonstration that deadly force is, in fact,  
22 problematic and that the use of deadly force and the  
23 possibility that the officer would be injured is  
24 something that everybody on the board would be  
25 concerned about. But are we going to see some

1 statistics? Are we going to get a white paper of some  
2 sort, Chief, that says here is why we believe that it  
3 is important to introduce this weapon system because  
4 of this particular series of circumstances? That is,  
5 the PR-24 has resulted in too many grievous injuries  
6 to -- citizens and officers have experienced workers'  
7 compensation, damage to their bodies and psyches that  
8 we can avoid. I mean, I really am trying to under --  
9 and I know that you approach this from an academic  
10 standpoint. I've got a lot of respect for the way  
11 that you approach problem solving. So you've done a  
12 lot of reading on this, and frankly so have I.

13 And there is no -- there is not universal  
14 endorsement of the electronic weapon system. And, if  
15 we're going to introduce that, then I would like to  
16 really be able to explain to the citizens or have the  
17 Chief have you explain to the citizens of the city of  
18 Detroit why this is necessary. Not just because it's  
19 new, not just because it's different, but we are  
20 introducing this weapon system because last year some  
21 blank, blank number of officers were injured in the  
22 line of duty and we have made a professional  
23 determination that had they had an electronic weapon  
24 system those injuries could have been avoided.

25 Do you see what I'm saying, Chief?

1 ASSISTANT CHIEF WHITE: Absolutely,  
2 Commissioner. And let me say for the record I was  
3 invited here tonight to present on uses of force.

4 COMMISSIONER MALLETT: I'm just raising the  
5 question, Chief. Yeah.

6 ASSISTANT CHIEF WHITE: And so we have had  
7 this discussion and I am working very diligently to  
8 get the information needed to do the appropriate  
9 presentation with regards to a white paper study  
10 statistical data that will prove or disprove the need  
11 for the weapon.

12 Tonight's presentation strictly was on the  
13 fact that, you know, this is how we use force, this is  
14 why we use force. When we get to the point of, you  
15 know, what are we solving for, certainly giving the  
16 officers every tool that they need at their disposal  
17 to effectively and safely do their job, not just for  
18 them, but for the community.

19 And so I will be ready for that  
20 presentation. It's not complete yet. Tonight,  
21 however, I was asked to come and talk through why we  
22 use force, how we use force and what would be required  
23 force to use force for the purpose of the community's  
24 benefit. And in a subsequent meeting I will make sure  
25 that we have all of our data and be ready for the

1 appropriate presentation on the electronic weapon.  
2 But I don't want to leave the board with the  
3 impression that tonight is a presentation on  
4 electronic weapons, because it is not.

5 COMMISSIONER MALLETT: No, not yet. Yeah.  
6 And I did not want to leave the audience with that  
7 impression either. Thank you, Chief.

8 ASSISTANT CHIEF WHITE: Okay.

9 CHAIRPERSON BELL: Was there any other  
10 comments by any other commissioner?

11 I just want to acknowledge A.C. White and  
12 Lieutenant Coles and the team that to just enlighten  
13 us, especially this board, understanding that this  
14 issue is before the community throughout the nation  
15 and concerns of using deadly force. People think,  
16 well, was there any other recourse.

17 Several of these commissioners have police  
18 background, and we understand the nature of the job is  
19 24/7, uniform and plain clothes. It's not something  
20 that we take lightly in terms of when you use that  
21 weapon. Most officers, including myself, would retire  
22 after 32 years or 20 years without firing their  
23 weapon. But I have been in situations, and like  
24 others, in terms of gunfights, but it worked out okay.

25 But the bottom line is we have come a long

1 way in policing. When I hired in in '71, it was not  
2 this type of in-depth training. We had to hang on for  
3 dear life in some situations, hopefully get backup.

4 So the department is progressing in terms  
5 of -- that's why I want to enlighten the commission  
6 and so the public would have some idea. This is not a  
7 sterile environment that we might encounter an  
8 individual, and you have to make a life/death decision  
9 in terms of your life or someone else's life, normally  
10 your life. And we just had lost a sergeant -- or a  
11 captain dealing with that situation in a alley. He  
12 was -- you know, we know the history of that.

13 So as we move forward I just want to thank  
14 A.C. White dealing with this issue, because this issue  
15 we have to do our homework, too, to meet them in the  
16 middle. The department is not moving towards that at  
17 this time. We just want to be enlightened in terms of  
18 perhaps it can save a life. That's the bottom line,  
19 it can perhaps save a life. And that's where we're  
20 going with this in terms -- I look at it that way in  
21 terms of perhaps it can save someone's life in  
22 reference to not using your weapon. That is the  
23 bottom line.

24 So there's no other comments?

25 Yes, sir.

1 COMMISSIONER MALLETT: If I might.

2 CHAIRPERSON BELL: Yeah.

3 COMMISSIONER MALLETT: Believe me, I think  
4 everybody on the board, Mr. Chairman, shares your  
5 sentiment.

6 CHAIRPERSON BELL: Thank you.

7 COMMISSIONER MALLETT: And I mean that from  
8 the bottom of my heart.

9 I also want to point out, though, that when  
10 the community presentations are being made,  
11 particularly by Captain Hall, we had today at the DMC  
12 representatives from tenet hospitals in Philadelphia,  
13 Los Angeles, New York, Chicago. It was interesting,  
14 because they asked, A.C., this specific question.  
15 "Conrad, why didn't you have in Detroit the same kind  
16 of trouble last night that you had in these other  
17 cities?"

18 And I told them. I said -- you know what I  
19 told them. I told them it's because of the Detroit  
20 Police Department, because of their relationship that  
21 we have with the community and -- that's the truth.

22 (Applause)

23 COMMISSIONER MALLETT: And because we had  
24 been able to manage ourselves as a community and the  
25 police department has been able to manage itself as an

1 institution where we have not had a rash of citizen  
2 shootings.

3 And so, you know, A.C., and I know you feel  
4 -- and so I'm just really saying this for the general  
5 public. As we approach this, it's a hard decision for  
6 us and I know it's a hard decision for you, but we  
7 really, Mr. Chairman, have something that people from  
8 across the country are looking at. People from across  
9 the country have noticed the success that we have had  
10 here in Detroit as it relates to police/community  
11 relations and the success this department has been  
12 able to produce in terms of how it manages its  
13 encounters.

14 And I know you're very proud of it, Mr.  
15 Chairman. The only point I'm making is that as we  
16 approach these kinds of decisions we've got to do it  
17 cautiously, because this department has a national  
18 reputation that other people are now paying very close  
19 attention to about how it treats its citizens.

20 So, you know, it's just -- so when we ask  
21 these questions, A.C., it's not because, you know,  
22 we're trying to be obstreperous or throw up barriers  
23 just to make life complicated. It really is because  
24 we believe in what you do and we believe in the way  
25 that you have done it and don't want to lose the

1 luster that you all have been able to achieve through  
2 years of hard work.

3 And, you know, so it's just a tough  
4 decision, Mr. Chairman, and I appreciate you indulging  
5 all of us as we approach this --

6 COMMISSIONER CRAWFORD: Through the Chair.

7 CHAIRPERSON BELL: By all means. I think  
8 you want to try to close this out, because it's going  
9 to be a long evening, so ...

10 Commissioner Crawford.

11 COMMISSIONER CRAWFORD: Through the Chair,  
12 I just want to say one thing.

13 Thank you, Commissioner Mallet. And also,  
14 too, if you recall at that presentation we had months  
15 ago the president of the Lieutenants and Sergeants  
16 Association stated that he would bring us some data in  
17 terms of whether or not there was a increase or  
18 decrease in assaults on police officers. And I guess  
19 that call would also go out to the president of the  
20 DPOA, because their memberships, you know, the  
21 officers and the DPOA represents them and the  
22 Lieutenants and Sergeants Association. The president  
23 was there. And we as a commission kind of ask that  
24 they bring forth some data. And, of course, he stated  
25 he would and we have yet to receive that data.

1 Thank you, sir.

2 CHAIRPERSON BELL: Thank you. If we can --  
3 thank you, Assistant Chief, and the team once again.

4 ASSISTANT CHIEF WHITE: Thank you very  
5 much.

6 CHAIRPERSON BELL: I think it was very  
7 rewarding and very enlightening.

8 (Applause)

9 CHAIRPERSON BELL: And I'm pretty sure it's  
10 going to be ongoing.

11 I'd like to just pause saying -- before we  
12 move into the next process, I just want to acknowledge  
13 Deputy Chief Renee Hall. They did a in-depth  
14 interview with her, interaction with her I guess about  
15 several days ago.

16 VICE CHAIRPERSON MOORE: About a week ago.

17 CHAIRPERSON BELL: About a week ago. I  
18 didn't get a chance -- I saw little tidbits in terms  
19 of Commissioner Moore, but I'm looking -- I think I  
20 normally tape. But she is a second generation police  
21 officer. And it related to her father and he was shot  
22 and killed in 1971?

23 DEPUTY CHIEF HALL: August.

24 CHAIRPERSON BELL: August. That was the  
25 time frame I was in the process of joining the police

1 department. I remember it very clearly, because my  
2 family was concerned of me joining the police  
3 department with this officer being killed.

4 I just want to acknowledge you and commend  
5 you. You've been a great asset to the department.  
6 And even under those circumstances of having lost a  
7 father in the line of duty you joined Detroit Police  
8 Department. And you are a Kettering High School  
9 grad --

10 DEPUTY CHIEF HALL: Yes, sir.

11 CHAIRPERSON BELL: -- as I recall on the  
12 east side of Detroit.

13 Cass Tech, I want you to know that. We do  
14 have outstanding students. I don't need a response  
15 from Cass, but I just want to lift her up. That's at  
16 Van Dyke and 94. That was my old neighborhood. My  
17 sibling graduated from the first -- you know, in that  
18 group.

19 So I just want to say that -- just thank  
20 you for that interview and that type of interaction.  
21 That's why we look at the young family, the four kids  
22 of the most recent officer and the other two kids.  
23 You can see there's a future for them if we make it a  
24 future. And that's why we are really concerned about  
25 law enforcement community.

1 I recall Chief Haddad said they was doing  
2 great, then all of a sudden they had two incidents  
3 that changed the whole climate for DPD. And we went  
4 through 11 years of force and other issues, been  
5 monitored by the Justice Department, because we was  
6 engaging in improper conduct by Detroit Police  
7 Department. So we've come a long way.

8 And I just want to lift you up and thank  
9 you for your ongoing service and joining this family.  
10 It takes a lot of courage.

11 DEPUTY CHIEF HALL: Thank you.

12 CHAIRPERSON BELL: I was just so moved by  
13 that when I -- I didn't witness it until you showed it  
14 to me. I said, wow, I had no idea because you never  
15 mentioned it. And thank you again.

16 COMMISSIONER SANDERS: Through the Chair.

17 CHAIRPERSON BELL: Yes, sir.

18 COMMISSIONER SANDERS: I watched it, and it  
19 was very graceful and it was very well done. And I  
20 was really -- I was shocked just to hear what had  
21 happened and how far she have come to be a police  
22 officer. So I take my hat off to you.

23 COMMISSIONER MALLETT: Amen.

24 COMMISSIONER SANDERS: You went through a  
25 lot. We all go through tragedies, but not the way

1 that you went through and then came out the other end  
2 to help people, so ...

3 DEPUTY CHIEF HALL: Thank you, sir.

4 CHAIRPERSON BELL: Thank you.

5 We will hear any committee reports or ad  
6 hoc committee reports.

7 COMMISSIONER BROOKS: Next week.

8 CHAIRPERSON BELL: Okay. Next week. Thank  
9 you.

10 Mr. Hicks, any reporting out?

11 MR. HICKS: Thank you, Mr. Chair. I just  
12 wanted to report on a couple of things just so that  
13 the general public will know. Tomorrow is a holiday  
14 and our offices will be closed.

15 Secondly is that we have been notified by  
16 the department that they are going to transmit the  
17 department's budget to us on November the 22nd. In  
18 working with the budget committee, we're hoping to  
19 return that budget with substantial examination by  
20 this board by no later than December the 8th. And we  
21 think that's consistent with the time frame in which  
22 the department needs to then take that through the  
23 city's process and ultimately through the City Council  
24 and then to the Financial Review Commission.

25 I'd also like to indicate that as of today

1 we received a second round promotion list from the  
2 department. What we -- given that we will not be in  
3 the office tomorrow, we'll start our due diligence on  
4 Monday morning first thing. And we'd hope to have  
5 that back to the commission with inside of the two  
6 weeks in which we had addressed last time.

7 CHAIRPERSON BELL: Thank you, Mr. Hicks.

8 MR. HICKS: Thank you.

9 COMMISSIONER CRAWFORD: Through the Chair.

10 CHAIRPERSON BELL: Yes, sir.

11 COMMISSIONER CRAWFORD: Yes, sir. This is  
12 to Mr. Hicks.

13 Mr. Hicks, in reference to the standing  
14 committee and ad hoc committees, is it possible that  
15 we could E-mail -- even though some of the board  
16 members aren't committee members on some of these  
17 committees, that they are -- I guess you can E-mail  
18 the meetings.

19 CHAIRPERSON BELL: Could we just have that  
20 dialogue with Mr. Hicks after the meeting?

21 COMMISSIONER CRAWFORD: Sure. I just want  
22 to make sure we all get the information near the  
23 meetings.

24 CHAIRPERSON BELL: Yes. We can make sure  
25 that we have that communication with Mr. Hicks and et

1 cetera. Okay. Thank you.

2 COMMISSIONER CRAWFORD: Thank you.

3 CHAIRPERSON BELL: Okay. Old business?

4 VICE CHAIRPERSON MOORE: Mr. Chairman.

5 CHAIRPERSON BELL: Yes, sir.

6 VICE CHAIRPERSON MOORE: Under detail of  
7 old business, I would like to take a moment of  
8 silence. Today we lost Bruce Feaster. Bruce was a  
9 member of Councilman Bruce -- Scott Benson's office --

10 CHAIRPERSON BELL: Yes.

11 VICE CHAIRPERSON MOORE: -- from District  
12 3, and I just wanted to take a moment of silence if  
13 that's okay.

14 CHAIRPERSON BELL: Yes, sir.

15 (A moment of silence was observed)

16 CHAIRPERSON BELL: Any new business. We  
17 have a resolution -- we have three resolutions.  
18 Commissioner Brooks is going to read a resolution for  
19 Pastor Turner.

20 COMMISSIONER BROOKS: "Whereas Pastor  
21 Christopher Samuel Turner was born March 19, 1974 in  
22 Detroit, Michigan to Martha Turner and Kenneth Hill.  
23 He's a faithful husband of 19 years to Toletha and  
24 loving father to his children, Davonte, Joy, Elisha,  
25 Micah, Carissa and Caleb.

1 "And now, therefore, be it resolved that  
2 the Detroit Board of Police Commissioners speaking for  
3 the citizens of the city of Detroit and the Detroit  
4 Police Department acknowledges the dedication and  
5 servant spirit of Pastor Christopher Samuel Turner.  
6 His spiritual leadership made a great impact to his  
7 congregation and the community throughout the city of  
8 Detroit."

9 COMMISSIONER MALLETT: Move adoption, Mr.  
10 Chair, and support.

11 CHAIRPERSON BELL: It's been moved and  
12 adoption and supported.

13 Ready for questions. Those in favor, aye.

14 COMMISSIONERS: Aye.

15 CHAIRPERSON BELL: Those opposed?

16 Motion carries. Thanks.

17 Our next resolution is by Commissioner  
18 Moore.

19 VICE CHAIRPERSON MOORE: Yes, Mr. Chairman.  
20 Is Ms. Toyia Watts in the house?

21 CHAIRPERSON BELL: Come forward.

22 VICE CHAIRPERSON MOORE: "Resolution  
23 honoring Ms. Toyia Watts.

24 "Whereas Ms. Toyia Watts has been an active  
25 voluntary for many years. Watts is a product of the

1 Detroit public school system. She graduated 1971 from  
2 Martin Luther King High School.

3 "And whereas Ms. Watts is the President of  
4 the Charlevoix Village Block Club in the Seventh  
5 Precinct. She is a major organizer of the Seventh  
6 Precinct National Night Out 2016 campaign. As a  
7 lifelong resident of the city, being aware of the  
8 changes in her community, she researched her community  
9 needs and organized several different block clubs,  
10 including the Charlevoix Village Block Club, Baldwin  
11 Block Club, Parker Block Club and Sheridan Block Club.

12 "And whereas Ms. Watts worked for General  
13 Motors, Chevrolet Division and Automotive Interiors in  
14 Westland, Michigan. She also worked at Dr. White  
15 Dentistry as a dental hygienist.

16 "And whereas Ms. Watts' community  
17 involvement with the Seventh Precinct began when she  
18 became a grass root activist in 2000, because of her  
19 deep love for the city. Ms. Watts has remained in her  
20 family home for the past 60 years where she continues  
21 to reside. She is in constant contact with the  
22 elected leaders and managers for District 5. This  
23 allows here to stay abreast of the issues regarding  
24 the Seventh Precinct.

25 "And whereas Ms. Watts loves to volunteer

1 and help wherever she is needed. She is what every  
2 community leader hopes for and more. Her dedicated  
3 service has earned her several community awards, State  
4 of Michigan Community Award from City Council 2012,  
5 the Community Comeback Award 2014 and Spirit of  
6 Detroit Award 2014.

7 "And now, therefore, be it resolved that  
8 the Detroit Board of Police Commissioners speaking for  
9 the citizens of the city of Detroit and the Detroit  
10 Police Department, acknowledges the generous spirit of  
11 Ms. Toyia Watts. Her unselfishness and dedication to  
12 improving the quality of life for all citizens in her  
13 community and throughout the city of Detroit, merits  
14 our highest regards."

15 Move for adoption, Mr. Chairman.

16 CHAIRPERSON BELL: It's been properly moved  
17 and supported yes.

18 Questions? Those in favor, aye.

19 COMMISSIONERS: Aye.

20 CHAIRPERSON BELL: Those against?

21 Motion passed. Thank you.

22 (Applause)

23 CAPTAIN HOPE: Recognition from the Detroit  
24 Police Department, "Certificate of Recognition to Ms.  
25 Toyia Watts, resident of he city of Detroit, in

1 appreciation for the following outstanding service and  
2 cooperation for your involvement in the community and  
3 services to the city of Detroit, demonstrate a spirit  
4 and commitment that is worthy of recognition."

5 (Applause)

6 MS. WATTS: Thank you, guys. Thank you.

7 DEPUTY CHIEF LEVALLEY: In addition, we  
8 also have a 2016 Spirit of Detroit Award "presented to  
9 Ms. Toyia Watts in recognition of exceptional  
10 achievement, outstanding leadership and dedication to  
11 improving the quality of life, by the City Council of  
12 Detroit, Michigan," signed by all the City Council  
13 members.

14 (Applause)

15 MS. WATTS: Thank you, Chief.

16 CHAIRPERSON BELL: We want to say thank  
17 you. Outstanding. Thank you. Appreciate it.

18 VICE CHAIRPERSON MOORE: Are there some  
19 words you'd like to say?

20 MS. WATTS: Yeah, about my police officers.  
21 I'm so happy that we do have our Seventh Precinct back  
22 in our community. It makes a difference, a big, big  
23 difference. One-on-one conversation with everybody,  
24 especially knowing our NPOs and our captain and our  
25 commander. So it makes a difference. So I'm blessed

1 we've got a little home now, but I hope we get a  
2 bigger and a better one down the road.

3 Thank you, baby.

4 (Applause)

5 CHAIRPERSON BELL: And we have one more  
6 resolution that will be given out by Commissioner  
7 Willie Burton.

8 COMMISSIONER BURTON: Thank you everybody.  
9 How everybody doing?

10 AUDIENCE: All right.

11 COMMISSIONER BURTON: All right. We have a  
12 resolution here this evening for Mr. Sam Sattam.

13 "Whereas Mr. Sam Sattam is the owner and  
14 Chief Operating Officer of the Farmer Johns Complex  
15 located at 731 Harper Avenue, Detroit, Michigan 48213.  
16 A native of Iraq, he migrated to Detroit, Michigan in  
17 1975. He is the father of five and a grandfather of  
18 three.

19 "And whereas Mr. Sattam became a member of  
20 the Associated Food and Petroleum Dealer in 1980, an  
21 organization that is dedicated to providing  
22 scholarships and promoting education through the food  
23 and petroleum industry. At that time he purchased his  
24 first market, Mario Market.

25 "And whereas Mr. Sattam purchased the

1 current location 12 years ago. His desire was to  
2 develop an inclusive community involved store,  
3 focusing on providing healthy, clean and fresh  
4 groceries at a value price. Since that time, Mr.  
5 Sattam changed his envision about four years ago to  
6 develop a plaza/complex with several stores that would  
7 be an asset for the whole community.

8 "And whereas Mr. Sattam is a major  
9 contributor for the Seventh Precinct as well as  
10 surrounding churches and block clubs in the area. His  
11 dedicated service has earned him several awards,  
12 Angels' Night Award 2014, Seventh and Eleventh  
13 Precinct Award in 2014, City Council Spirit of Detroit  
14 2014, Association Food and Petroleum Dealer Award in  
15 2014 and 2015, and Community for Change Award in 2015.

16 "And whereas Mr. Sattam whose motto is 'You  
17 can take a man out of the city, but you can never take  
18 the city out of the man.' He is a successful  
19 entrepreneur that has remained in the city of Detroit  
20 through its toughest times and has no intention on  
21 leaving.

22 "Now, therefore, be it resolved that the  
23 Detroit Board of Police Commissioners, speaking on  
24 behalf of the citizens of the great city of Detroit  
25 and the Detroit Police Department, acknowledge the

1 entrepreneur spirit, charitable contributions  
2 contribution and vision of Mr. Sam Sattam. His  
3 unselfishness and dedication to improving the quality  
4 of life for all citizens in his community and  
5 throughout the city of Detroit, merits our highest  
6 regards. Detroit Board of Police Commissioners."

7 (Applause)

8 VICE CHAIRPERSON MOORE: Move for adoption,  
9 Mr. Chair.

10 COMMISSIONER MALLETT: Support.

11 CHAIRPERSON BELL: It's properly moved and  
12 supported. Those are -- ready for any questions.

13 Aye?

14 COMMISSIONERS: Aye.

15 CHAIRPERSON BELL: Opposed?

16 Ayes carry. Thank you.

17 CAPTAIN HOPE: Sam, the "Detroit Police  
18 Department Certificate of Recognition to Mr. Sam  
19 Sattam, resident of the city of Detroit, in  
20 appreciation for the following outstanding service and  
21 cooperation for your involvement in the community and  
22 services to the city of Detroit demonstrate a spirit  
23 and commitment that is worthy of recognition."

24 (Applause)

25 DEPUTY CHIEF LEVALLEY: Also, we also have

1 2016 "Spirit of Detroit Award presented to Mr. Sam  
2 Sattam, in recognition of exceptional achievement,  
3 outstanding leadership and dedication to improving  
4 quality of life, by the City Council of Detroit,  
5 Michigan," signed by all the council members November  
6 10th, 2016.

7 (Applause)

8 CHAIRPERSON BELL: Yes, sir. You've got  
9 the mike.

10 MR. SATTAM: I'm honored. This is not  
11 expected. This is great, and this is just more  
12 motivation. And I have a saying, if each one of us  
13 does what he's supposed to do every day, we will do it  
14 all and we will have a beautiful world in no time.  
15 Thank you very much.

16 CHAIRPERSON BELL: Thank you.

17 (Applause)

18 CHAIRPERSON BELL: As Commissioner Mallett  
19 stated, when you talk about community, police and  
20 business, the Seventh Precinct always had those three  
21 components. And I will say all the precincts have  
22 that, but I know about the Seventh Precinct and that  
23 reflects citywide. That's what makes Detroit great.  
24 And as we move forward for 2017, I just think that we  
25 are really, really blessed to stand strong in Detroit.

1           As we move on to our announcement, our next  
2 meeting will be on Thursday, November the 17th, 2016  
3 at 3 p.m. at Detroit Public Safety Headquarters, 1301  
4 Third Street. That's at 3 p.m. Our next community  
5 meeting will be in the Second Precinct on December the  
6 8th. That will be at 6:30 p.m. Location will be  
7 forthcoming.

8           As we move to the final item on the agenda  
9 with the public comments, I'll ask you to come to the  
10 mike. You have two minutes. Please give your name.  
11 Please be brief and to the point and be respectful,  
12 because we appreciate you. And what a tremendous  
13 turnout this evening. So we just really thank you in  
14 advance of closing out. So the public have the  
15 community.

16           VICE CHAIRPERSON MOORE: Mr. Chairman.

17           CHAIRPERSON BELL: Yes.

18           VICE CHAIRPERSON MOORE: Prior to that I  
19 would just like to acknowledge Commander Aric Tosqui  
20 from the Sixth Precinct as well as Captain Bilal  
21 Muhammad, which represents District 7 on the west side  
22 of Detroit.

23           CHAIRPERSON BELL: And I see Captain Leach  
24 there also from the Eleventh Precinct.

25           COMMISSIONER CRAWFORD: Commander Leach

1 from the Eleventh Precinct, too. Yeah.

2 CHAIRPERSON BELL: Thank you.

3 Yes, ma'am.

4 MS. FIELDS: Good evening. Thank you for  
5 your service. My name is Crystal Fields (ph). I'm  
6 with -- I'm the Clean and Safe Initiative's director  
7 at Jefferson East. And I just wanted to invite the  
8 board members to our next CompStat meeting. We  
9 changed the date. So I'm highjacking your meeting  
10 just so that I can make this announcement and everyone  
11 can know.

12 We're having the next CompStat meeting at  
13 Stroh's River Place. That's 300 River Place in the  
14 fourth floor conference room. We're having it Friday,  
15 the 18th. That's Friday, November 18th. And at that  
16 time AmeriCorps will be there making a report like  
17 they usually do. And then Wayne State University will  
18 be there doing the statistical analysis of the crime  
19 in number 7 and number 5.

20 And so lunch is on us. Lunch will be  
21 served at 12:00. The meeting starts at 11:00. We'll  
22 begin with the western side of our service area, which  
23 is, you know, that part of the Seventh Precinct. And  
24 I just wanted to let the public know and let you know.

25 And we just love Captain Hope. The public,

1 you know, asks her a whole lot of questions and she  
2 and the commander make themselves available.

3 Thank you.

4 CHAIRPERSON BELL: And thank you. Thank  
5 you for sharing that information.

6 (Applause)

7 MS. SANDERS: Hello everyone. Hi. I'm  
8 Brittany Sanders (ph), Neighbors of Jefferson East.  
9 I'm the director of community engagement at the Belle  
10 Isle Conservancy. Captain Hope invited me today to  
11 just talk a little bit about what's going on at Belle  
12 Isle right up the street.

13 Even though it is winter there's still a  
14 lot going on at the park. So, if you didn't get your  
15 Belle Isle Beat when you came in, there are copies  
16 back there. This is our monthly one-page newsletter  
17 of events and happenings on the island. So there's a  
18 lot going on this month, African dance, movies, home  
19 school field day, et cetera. So we just want to make  
20 sure that people know about this resource, and that  
21 it's being utilized especially for the residents  
22 immediately around the park. It's very important to  
23 us that people are still using the park as it's  
24 intended.

25 Also, we are going to be doing a project in

1 commemoration with Detroit 1967 on the island,  
2 something with wind chimes and reclaimed wood. And we  
3 are looking for District 5 residents to assist us with  
4 that effort. So if anybody who lives in District 5 is  
5 interested in working on our Detroit 1967 project with  
6 us please do come see me so that I can get your  
7 information.

8 I have one minute left. Let me see how  
9 much I can squeeze in.

10 We are also home to a new ADA festival  
11 playground, had a grand opening for that last month.  
12 It is by the Belle Isle Nature Zoo. It's for children  
13 of all levels and abilities, and it was funded by the  
14 Sigma Gamma Foundation.

15 And last, but not least, in case you didn't  
16 know, after nine years the D-DOT has restored bus  
17 service to the island so you can take the bus.

18 Thank you.

19 (Applause)

20 CHAIRPERSON BELL: Thank you. Good things  
21 happening on the island.

22 COMMISSIONER SANDERS: Through the Chair.  
23 Miss?

24 MS. SANDERS: Oh, I'm sorry.

25 COMMISSIONER SANDERS: I'd like to know

1 about the movies. Is this going to be a truck coming  
2 in a certain area and everybody watch the movies like  
3 they did before? How is that going to be set up?

4 MS. SANDERS: Oh. So actually the movies I  
5 mentioned the Dossin Great Lakes Museum on Belle Isle,  
6 which is managed by the Detroit Historical Society,  
7 they have a film series. So they show a different  
8 movie every month.

9 COMMISSIONER SANDERS: Okay.

10 CHAIRPERSON BELL: Thank you.

11 MS. SANDERS: Thank you.

12 CAPTAIN HOPE: I'm coming very quickly on  
13 behalf of Commander Leach from the Eleventh Precinct  
14 to remind everybody that tomorrow is the Veterans Day  
15 Parade. The kickoff is going to be at 10 a.m. It's  
16 going to start at Nevada and Van Dyke, and it's going  
17 to end at Outer Drive. The luncheon will be served at  
18 Serbian Hall, and that's going to be between 11:30 and  
19 12 p.m.

20 CHAIRPERSON BELL: Thank you.

21 VICE CHAIRPERSON MOORE: Through the Chair.  
22 How come Commander Leach didn't come up  
23 here?

24 CHAIRPERSON BELL: Because she the captain.

25 MR. APONCE: Good evening. My name is

1 Michael Aponce. I've been invited by Commissioner  
2 Moore and working with Commissioner Moore.

3 I wanted to know how long does it take for  
4 the denial appeal of -- appeal letter of denial  
5 process take?

6 I sent a E-mail to Chief Craig and about  
7 two months now. I was concerned and I wanted to know  
8 how long does that take?

9 CHAIRPERSON BELL: Could you speak to our  
10 board secretary, Mr. Hicks, to my far right directly  
11 after the meeting and he can respond to that inquiry.

12 MR. APONCE: Yeah.

13 CHAIRPERSON BELL: Thank you.

14 MR. APONCE: Thank you so much.

15 CHAIRPERSON BELL: Okay.

16 MS. RILEY: Good evening.

17 CHAIRPERSON BELL: Good evening.

18 MS. RILEY: My name is Beverly Riley. I'm  
19 just a member of the Charlevoix Village Association  
20 with Sister -- Ms. Watts.

21 I just want to stand to say how much I  
22 appreciate the Seventh Precinct. I appreciate their  
23 service. And I want to thank them for this  
24 presentation on use of force, because in light of  
25 everything we see on the television and what's going

1 on around the world when I look at it I say, oh, that  
2 could not happen here in Detroit, I know that wouldn't  
3 happen here in Detroit. And I thank God for the  
4 police officers here and everyone here and for all of  
5 your service.

6 That's all I have to say. Thank you.

7 CHAIRPERSON BELL: Thank you, ma'am. Thank  
8 you.

9 (Applause)

10 CHAIRPERSON BELL: Is there any other --  
11 okay. Arthur Divers.

12 MR. DIVERS: Good evening. I'm Arthur  
13 Divers. I'm the liaison -- community liaison for the  
14 Honorable George Cushingberry, the city councilman for  
15 District 2.

16 I just have a piece of information that I  
17 want to bring to your attention, and it concerns the  
18 Neighborhood Enterprise tax credit. They have  
19 extended the time that you can apply for this tax  
20 credit to December the 9th at 4 p.m. And you have to  
21 go down to the Finance Department, Room 80 -- no. The  
22 Assessor's Office, Room 804.

23 Now, to be eligible you should have bought  
24 your property after January 1st, 1997. 1997, January  
25 the 1st. And you also must have made at least \$500

1 improvement to that property and have documents  
2 showing that you have done that.

3 Again, Neighborhood Enterprise Zone,  
4 December the 9th, 2016, 4 p.m. You go to Room 804,  
5 and you can then determine whether you are eligible,  
6 but you have to meet those qualifications. Thank you.

7 CHAIRPERSON BELL: Thank you, sir.

8 If there's no other comments by the public,  
9 I just want to really acknowledge Reverend Reginald  
10 Best and the church family for hosting and definitely  
11 Seventh Precinct, Captain Hope and Commander Williams  
12 and A.C. White and Deputy Chief LeValley for all you  
13 do in terms of for the community and DPD family. Just  
14 thank you for coming out this evening.

15 But I think, D.C. LeValley, you need to  
16 mention that we have a graduation coming up next week  
17 on Friday?

18 DEPUTY CHIEF LEVALLEY: Next Friday,  
19 November 18th we have another academy class  
20 graduating. The venue --

21 CHAIRPERSON BELL: Tabernacle, ten o'clock?

22 DEPUTY CHIEF LEVALLEY: Tabernacle, ten  
23 o'clock.

24 CHAIRPERSON BELL: Tabernacle, ten o'clock,  
25 another graduating class.

1 DEPUTY CHIEF LEVALLEY: We'll have another  
2 a month after that.

3 CHAIRPERSON BELL: Yes. Thank you. Thank  
4 you. So on that note, thank you once again.  
5 Commissioners, we stand adjourned.

6 I need a motion?

7 COMMISSIONER DEWAELESCHE: So moved.

8 COMMISSIONER SANDERS: Supported and moved.

9 CHAIRPERSON BELL: It's been properly moved  
10 and supported.

11 Those say aye.

12 COMMISSIONERS: Aye.

13 CHAIRPERSON BELL: Ayes carry today. Thank  
14 you.

15 (The community meeting was concluded at  
16 8:21 p.m.)
